Attention Years 7, 8 and 9 Parents!

Does your daughter need help managing homework and assignments effectively by efficient time management? Do you want to help your daughter manage her time and organise herself but do not know where to start? Does your daughter need help studying and preparing for examinations?

Ms Prue Salter from Enhanced Learning Educational Services, will run two workshops targeting organisation, time management, examination preparation and general study techniques, providing an opportunity for parents to learn and most importantly, to complete a number of activities with your daughter.

Tools for High School Success
A workshop for Year 7 students and their parents
Wednesday 25 March, 6.00pm-7.30pm

This workshop gives Year 7 parents and students hands on experience with time management techniques such as chunking down pieces of work like assignments as well as prioritising and scheduling – to avoid those stressful last minute late night rushes!

Year 7 parents can expect to gain a greater understanding of tools students can use to help them achieve academic success and students can learn how to make the most out of their time through simple but effective techniques. As there are activities and discussions that are completed jointly, parents and students must attend together.

Improving the Way You Study
A workshop for Years 8 and 9 students and their parents
Tuesday 17 March, 6.00pm-7.30pm

This workshop gives Years 8 and 9 parents and students strategies to help them become the most effective and successful learners they can be. We examine the important skills to help improve the way students study and prepare for examinations.

Years 8 and 9 parents can expect to gain a greater understanding of what students are required to do at home and students can learn how to make the most out of their time through simple but effective techniques. As there are activities and discussions that are completed jointly, parents and students must attend together.

Bookings are essential for both workshops as places are limited. Please complete the appropriate flyer included at the end of this newsletter and return the attendance slip to the General Office as soon as possible.

House Drama Festival
The House Drama Festival takes place next Wednesday, 4 March. Below are the adjudicators for 2015.

Ms Julie McCrossin talks to people for a living. After 20 years as a broadcaster with ABC Radio National, ABC TV and Network Ten, she is now a freelance journalist and facilitator. She is also a SCEGGS Old Girl.

Ms Linden Wilkinson is an Australian film, television and theatre actress and writer. Ms Wilkinson is currently working on an archival performance project in collaboration with SCEGGS. Scheduled for production in November, 2015. Ms Wilkinson is past P & F President and parent of a SCEGGS Old Girl.

Ms Emma St John (Class of 2014 - Badham House) has performed in several House Drama Festivals, and numerous SCEGGS Drama productions during her time at SCEGGS.

The House Drama Festival is a wonderful day; break a leg to all Houses!

St Peter’s Players in 2015
It is not too late to join – just come to the General Office on the day of the class to meet your tutor.

All classes are held from 3.15pm to 4.45pm in the Diana Bowman Performing Arts Centre. You should meet your tutor at the General Office at 3.10pm on the day of your class.

New Parent Dinner
SCEGGS Great Hall
Wednesday 18 March, 7.00pm

Thank you to the new parents who have already replied to the New Parent Dinner.

Hosted by Ms Jenny Allum and the SCEGGS Trust, we look forward to formally welcoming new parents to SCEGGS at this enjoyable and informative evening.

In the SCEGGS Great Hall, it is an opportunity to hear more about the School Community, as well as meet staff and other parents.

We do hope you are able to attend. If you have not had an opportunity to reply but would like to attend please email AngelaCrowther@sceggs.nsw.edu.au by Monday 9 March.

We hope to see you on Wednesday 18 March.

Welcome Cocktail Party
The Welcome Cocktail Party will be held tomorrow evening, Friday 27 February from 6.00pm-8.00pm, in the JFSATC Courtyard. The P & F look forward to welcoming you and celebrating the beginning of the 2015 school year together as a community.

Term I General Meeting
The P & F are pleased to welcome as our first Guest Speaker for 2015, Dr Soji Swaraj. A recent SCEGGS parent and a previous P & F Guest Speaker, Dr Swaraj has responded to persuasion and is back by popular demand to present at the Term I General Meeting on Tuesday 10 March. Dr Swaraj is a Consultant Endocrinologist (Hormone Specialist) and metabolic physician with practical ideas for maintaining health and wellbeing in the face of a rising phenomenon of insulin resistance – a large driver of the worldwide obesity and chronic disease tsunami. We are privileged to have access to Dr Swaraj and highly recommend this presentation to our SCEGGS Community.

RSVP is required for catering purposes as refreshments will be available from 7.00pm. For those new to the school, this is a free event for our SCEGGS Community. Please see the attached flyer for further information.

Years 9 and 10 'Father'/Daughter Breakfast
The Years 9 and 10 'Father'/Daughter Breakfast was held last Thursday in the SCEGGS Great Hall. Ms Phoebe Goodwin (Class of 2005) gave a very passionate and spellbinding recount of her school years, her aspirations, and her experiences on the ground as an Architect with very definite humanitarian objectives. It was obvious (as we slightly ran over time!) that both ‘Fathers’ and our girls were enjoying her presentation and I received extremely positive feedback from those who not only praised Ms Goodwin’s presentation, but enjoyed the overall P & F breakfast experience! Thank you to Mr Ben Cottle who did a sterling job as ‘MC’, Ms Michelle Kadi, Alumni Relations, and also to Ms Stuart Lee and Mrs Kassandra Pettaras for assisting on the morning.

Year 11 Charity

House Drama Festival Day/Mufti Day
SCEGGS House Drama Festival will be taking place on Wednesday 4 March. There are no Secondary classes this day: it is instead spent in the SCEGGS Great Hall watching House performances and enjoying the sense of community and inclusion while equally enjoying the theatrical talents of the students.

Year 11 raise money this day for a charity of their choice and in response to the fun, joy and support that will be experienced on House Drama Day, the Form Captains of Year 11 have elected to support Father Chris Riley’s Youth Off the Streets. This charity has been providing services to assist homeless and disadvantaged youth since 1991. It is a non-denominational community organisation working for young people aged 12-21 who are facing challenges of homelessness, drug and alcohol dependency, exclusion from school, neglect and abuse. The programs run by Youth Off the Streets survive largely on the generosity of individuals in our community. Your support will help them make a significant difference in the lives of our young people in need – it shows that you not only care about giving them a better future but you are willing to help make it happen. Please bring a gold coin donation on House Drama Day and help Youth Off the Streets break the cycle of disadvantage, abuse and neglect for these young people.

Each student from Kindergarten to Year 12 is asked to wear sensible, casual clothing and appropriate footwear on the day.

Music Matters

Congratulations

Project Brass Ensemble - first rehearsal - well done girls. Great to hear those beginner Trumpet and Trombone players working in their special group session with Brass Tutor Mr Gergely Malyusz.

Keep up the daily practice.

Choir and Miss Harrigan, who entertained a first visit from composer, Professor Michael Atherton. He has accepted an invitation to write a piece especially for Choir as part of the Compose - 120 Project. He was seen down on his hands and knees exploring the acoustic properties of the SCEGGS Great Hall’s vast wooden floor. Watch this space!

Suzannah Keene (Year 12) played Organ and Piano at Assembly. Music Captain ‘earning her keep’. Thank you, Suzannah!

Classrooms

Which Year 7 class will win Eisteddfod cupcakes for all? Looking forward to hearing all Year 7 musicians play for the Eisteddfod. Heats are closed, just players and the visiting Adjudicator. All Year 7 girls wishing to participate should bring instrument/voice and music to their regular, class music lesson in Week 6.

Monday 2 March - 7MUB, 7MUC, 7MUD
Friday 6 March - 7MUA

Co-curricular Music Program

The signed Music Ensemble Participation Agreement Form should be returned to the Music Staffroom as soon as possible. A student’s name will not be confirmed on Ensemble rolls for Participation Points, until the signed Music Ensemble Participation Agreement Form has been returned.

Delighted to be sharing Choir’s preparation for Easter Festival. Looking forward to sharing repertoire which will include the Tenor and Bass voices of Cranbrook’s Choir, at our forthcoming rehearsals and in our service.

Series 120 Concert 1 - Congregate

Friday 27 March – SCEGGS Great Hall, 6.00pm

A special invitation to the first of the Series 120 Concerts, being held to celebrate music-making at SCEGGS in the School’s 120th Anniversary year. In each concert we will enjoy a ‘glimpse of the past and look to the future’ through pieces composed especially to celebrate Music at SCEGGS.

In this first concert we celebrate the musical opportunities that bring us together, and ways in which music is shared at SCEGGS.

Participating Ensembles will soon receive email notification of their involvement.
The Margot Anthony (Budd) Beyond the Curriculum Music Award is awarded annually for up to two, Elective music students in Years 8 to 11. The Award is to be used by the student to support their continued involvement in musical activities, which serve to facilitate the development of their musical potential.

The Award will be announced and presented at the SCEGGS Eisteddfod Highlights Concert.

Dr Soji Swaraj
Back by Popular Demand!
Insulin resistance: A cause of premature death for 50% of us and what indoor professionals and their offspring can do to address it.

“Insulin resistance is a phenomenon that is a large driver of the obesity and chronic disease tsunami worldwide that is turning us into lemmings. The current medical model of doctors prescribing medications or surgery after disease has manifest is clearly non-sustainable and sadly results in avoidable tragedy in many cases. While there is a growing focus on anti-ageing and significant numbers of the “worried well”, we may be neglecting several potentially avoidable diseases that can shatter lives in school age families.”

Dr Soji Swaraj, a recent SCEGGS parent, Endocrinologist (Hormone specialist) and metabolic physician, will discuss an evidence-base and real life cases, along with practical ideas that we might all consider to decrease our risk of tragic outcomes.

It is not often one gets such access to a medical specialist of this nature and calibre who has not only a clear focus on issues that affect all of us, but presents in a clear, no-nonsense manner that enables us all to benefit from his expertise. Dr Swaraj has kindly agreed to return and we are pleased to recommend this talk for the benefit of our SCEGGS Community.

Do not miss this opportunity to hear Dr Swaraj!

TO: PARENTS & STUDENTS OF YEAR 7

Would you like to know the secrets to success in high school?

Parent/Student ‘Study Skills’ Evening

Wednesday 25th March, 6-7.30pm
Lecture Theatre
SCEGGS Darlinghurst

During the early years of high school it is essential that students develop study habits that will promote academic success. This evening takes parents and students through these essential skills and how students can integrate these into their approach to school.

Enhanced Learning Educational Services is an Australian business committed to helping all students improve their ability to learn and study. Our aim is to give students strategies to unlock the power of their minds and help them become effective and successful learners. ELES is offering SCEGGS Darlinghurst parents and students the chance to attend the following Parent/Student Evening:

‘TOOLS FOR HIGH SCHOOL SUCCESS’

The main areas that will be covered are:
- Setting up the home study environment.
- Managing homework and assignments effectively by efficient time management.
- Learning to be more organised for school and at home.
- Working and studying effectively in high school.

Parents can expect to gain a greater understanding of tools students can use to help them achieve academic success and students can learn how to make the most out of their abilities through simple but effective techniques. Both students and parents should also bring a pen each and a highlighter.

The feedback from parents and students who attended this session last year was excellent!

Detach and return this slip to the GENERAL OFFICE by Monday 23rd March, 2015.

Note: Parent/Guardian(s) and students should attend together. As the session is very interactive, the session will not be of full value unless both the students and a parent attend.

Both students and parents also need to bring along a pen each (and one highlighter for the family) and the school diary.

The following people from our family will be attending the Year 7 Tools for High School Success session:

Parent/Student ‘Study Skills’ Evening

Tuesday 17th March, 6-7.30pm
Lecture Theatre
SCEGGS Darlinghurst

As part of SCEGGS Darlinghurst’s progressive program to develop effective study skills, Year 8 parents and students (and Year 9 parents and students who did not attend last year) are invited to attend a study skills evening that builds on the work done at the previous Year 7 Study Skills Evening.

Enhanced Learning Educational Services (www.enhanced-learning.net) is an Australian business committed to helping all students improve their ability to learn and study. Our aim is to give students strategies to unlock the power of their minds and help them become effective and successful learners. ELES is offering Year 8 and 9 SCEGGS parents and students the chance to attend the following Parent/Student Evening:

The focus of this evening is improving the way students study and prepare for tests and examinations.

- Making great student notes - an essential skill for success in secondary school!
- How to study and prepare for tests and exams (including some ‘unusual’ techniques!).
- Dealing with the obstacles and problems - like procrastination!

Parents can expect to gain a greater understanding of what students are required to do at home and students can learn how to make the most out of their study through simple but effective techniques. **Both students and parents need to bring along a pen.**

Detach and return this slip to the GENERAL OFFICE by Friday 13th March, 2015.

Note: Parent/Guardian(s) and students must attend together. As the session is very interactive, the session will not be of full value unless both the students and a parent attend. **Both students and parents also need to bring along a pen.**
