From Ms Allum

I can hear the students rehearsing for House Music as I write this afternoon. How lovely that we finish this term in the Secondary School with such a joyful and community occasion – a chance to celebrate camaraderie, each other’s gifts and the forging of new friendships. I read on the weekend that His Holiness, the Dalai Lama, talked of living as ‘joyfully participating in a world of sorrows’. While we might want for this to be an interpretation of the adult life, I found it so moving and, of course, reflected on the deepest sorrow that we all shared at the end of last term as we lost one of our own in tragedy.

We have been carrying all of Year 8 and their families and indeed all the students in our hearts as we learn to walk this path together, putting one foot in front of the other, or holding out a hand to a friend who might need a bit of extra support. I am filled with pride as I witness the dignity and strength of this community who look out for each other, worry about each other, and care deeply about each other’s wellbeing. I would encourage everyone to keep asking each other, ‘are you okay?’. Bringing the importance of mental wellbeing into an open, non-judgmental and non-stigmatised conversation continues to be one of the great works we can achieve as a society.

As we approach the holiday period and come close to three months since Isla passed away, I would like to invite families to revisit the material and resources made available through Headspace that I emailed earlier in the year. There is a wealth of wisdom to be found in there. Please lean on and learn from each other too. Do remember that our doors are always open and we feel privileged when you let us know how things are going and when we share in life together. Take good care and rest well.

Debating

The second term was a very busy and successful term for SCEGGS Debating.

Four of our six teams made the Eastside Semi-Finals with three of these four teams progressing through to the Grand Final. This competition includes Sydney Grammar, Sydney Girls’ and Boys’ High Schools, Scots, Cranbrook, Rose Bay College and Reddam House. The debating competition is of a very high standard.

The Year 8 team of Jessica Cassimaty, Louise Godhard, Harriet Harper, Chloe Kneebone, Sabrina Liu and Greta Schaffer, won the Grand Final in a unanimous decision and were undefeated throughout the entire competition. During the season the Year 8 division was especially supported by a large number of the girls’ peers, which was wonderful to see. The Years 10 and 12 teams lost narrowly in their Grand Final debates.

The Archdale Competition, consisting of 21 Independent Girls’ Schools, is approaching the half way point. SCEGGS is currently coming second equal in the Archdale Shield with the Year 8A and Senior teams undefeated so far. Three other teams have only one loss from three debates.

The number of girls participating in the Year 6 debating program has doubled over the last year. SCEGGS has increased the number of teams in the IPSHA Competition from two to four.

Special recognition should be noted for our Debating Captain, Imogen Harper, who was made Captain of the NSW Debating Team that competed in the National Competition in Adelaide in May. The NSW team won the national title and Imogen was awarded ‘best speaker’ at the championships. Imogen was subsequently named Captain of the Australian Schools’ Team that will compete at the World Schools’ Debating Championships in Singapore in August.

‘Vintage’ Clothing and Shoes – A message from Year 11

Dear fashionistas,

Use the time over the school holidays to rework yours and your daughter’s wardrobe. Update styles and donate your pre-loved fashion items to the Year 11 Vintage/Pre-loved Stall at the Festival on Forbes.

Any clothing, ski clothes, shoes, jewellery and accessories that are in good condition and clean will be accepted. Kindly bring them to the General Office and Mrs Cathy Limmer and Mrs Beverley Sloan will collect them. We are also looking for stand-alone mirrors and clothing racks, so if you have any we could borrow for the Festival, please contact Mrs Sloan.

In addition to these items, Vintage Vases, Handbags, Books, CDs and DVDs are also sought by other Year groups for their stalls.

Prizes for the Chocolate Wheel

The ever-popular Chocolate Wheel will be spinning at the Fair. This is a lively and exciting stall and is a lot of fun: however, we are in need of prizes for young and old alike. Please search through your present boxes and if you can give us new gifts, toys or games in boxes, craft kits, stationery, costume jewellery, wine, boxes of chocolates, novelties, boxed perfume/toiletries etc. we would love to receive them as prizes. It is important that these items be new, good quality, not opened or damaged in any way. This is the perfect stall to donate any unneeded or unwanted, unopened gifts.

Donations

Class Parents have requested permission to ask their cohort for cash donations which will be used to purchase items or ingredients for their stall. Their motivation is that this will help with the planning for their stall in advance and will also help with making a profit, however large or small, on the day. From time to time this has happened; however, I do want you to know that this donation is not compulsory and purely voluntary. I know Class Parents are often hesitant to ask for a donation of this kind even though they may need to. Please support your Class Parents by contributing to the Fair in any way you can either by donating items, ingredients, time and/or money. They will really appreciate your help.

Congratulations to Isla Collee who spoke her way into the State Finals of the Plain English Speaking award. Isla entertained the audience with her thought provoking speech on why we should ‘slow down’. The impromptu topic for the Semi-Finals was ‘The end of an Era’ which gave everyone scope for some interesting speeches.

Good luck Isla for the State Finals on 24 July.

Photography Classes

Semester 2 Photography classes will be running from Tuesday 21 July, Term III Week 2, until the end of Term IV.

Darkroom Photography classes with Mr Ian Lever will be running for Years 9, 10 and 11 after school on Tuesdays and Thursdays in JF3 from 3.15pm until 4.45 pm. Students will need a manual (35mm film) camera.

Digital Photography with Ms Ella Condon will be running for Years 9, 10 and 11 after school on Wednesday. Students will need a digital SLR camera. In this course students will learn how to use their cameras and all its settings, how to compose and take good photographs. They will go on excursions in class time to take photographs. This is a new course and an excellent opportunity for students to get to master contemporary photographic practice as well as learning how to get the best out of their digital cameras.

Ms Condon and Mr Lever are very accomplished photographers. They practice both commercial and fine art photography, have exhibited and had work commissioned, and published in books and the media. They have a passion for photography which they instil in their students through teaching a broad range of techniques whilst encouraging creativity and decision making.

Could interested students email me requesting a permission note. Notes are due back by the end of this week. Email the signed note to MichaelaGleave@sceggs.nsw.edu.au

Class sizes are limited and priority will be given to the first students to return their notes. Please do not hesitate to telephone me if you have any further questions.

Saving SCEGGS

We are delighted to announce a new dramatic work to be staged at SCEGGS in Term IV this year to mark the 120th Anniversary of the School.

The Drama Department has commissioned Ms Linden Wilkinson, playwright, actor and director to develop a verbatim theatre performance entitled Saving SCEGGS, a dramatic account of the turbulent period of SCEGGS history from 1976 to 1977, when the School, facing financial ruin and closure, rallied as a community and literally ’saved’ SCEGGS.

Ms Wilkinson has conducted extensive research and interviews with the people who were at the heart of the crisis and has written a moving account of the tenacity and courage of those whose efforts brought the School back from the brink, and of the spirit that underpinned their efforts, a spirit that is today part of our school ethos.

Saving SCEGGS will take place in November, in 14 sites in the grounds and buildings of SCEGGS. Students will play the roles of girls, teachers, parents and Board members in the School community of the time.

We will be auditioning in Week 2 of next term. Watch this space in Week 1 for audition details.

Music Matters
Congratulations
Pianists from the Primary School presented their pieces with great confidence. Very much appreciate the support of parents and friends who came to listen and enjoy girls’ work. Thanks to Ms Jones for organising this solo performance opportunity for our youngest pianists.

Vocal students of Ms Jo Burton and Ms Amandine Petit for such an array of beautifully prepared performances at the Vocal Soiree last week. So many great Broadway songs shared. The combined ‘chorus’ of all the girls and their Tutors was impressive…Broadway Babies indeed. Thanks to Ms Burton, Ms Petit and Ms Holmes for their support of girls. A most enjoyable afternoon.

String players for their solo performances at the recent Performance Day run by the Australian String Teachers’ Association. Selected students, from teaching studios across Sydney, presented pieces for an audience of peers and expert String Teachers. I am so pleased that Georgina Dandolo (Year 3), Scarlett Cooper (Year 4), Scarlett Pearce (Year 5), Mary Williams (Year 5), Erin Zikos (Year 7), Stella Zikos (Year 7) and Alison Neish (Year 8) were able to enjoy this important opportunity for solo performance. Thanks to Mr Whitting for supporting the girls for this event.

Project Brass Ensemble members who shared their term’s work at an Open Rehearsal for parents and family members. I am so impressed by what these girls have achieved, under the guidance of Mr Gergely Maslyusz, in a little over a term. Learning any instrument requires consistent application, daily practice...
and ‘stickability’. These girls demonstrate that in spades. Some great sounds being produced. Well done, to all involved. Term III rehearsals resume, Monday 20 July (Term III, Week 2).

**Bugles Band** (Primary) has finished a good term’s work with Ms Marie Heinrich (and their last weeks with Mr Christian Eder). Some terrific pieces being enjoyed, and a great ensemble sound being produced. Ms Heinrich will be ‘ready-to-go’ again on Monday 20 July (Term III, Week 2).

Violin, Viola and ‘cello students for their solo performances presented, for large and very supportive audiences, at the recent String Soirees. So many girls and their String Tutors have made great gains in their learning this term. Such a variety of pieces being presented with piano accompaniment. Thanks to Mr Whitting and the team of String Tutors for preparing and accompanying the girls. Well done, everyone.

Girls who have successfully complete AMEB examinations:

Caroline Brown (Year 7 – Grade 6 Violin), Daniella Chami (Year 8 – Grade 7 Violin) and Scarlett Pearce (Year 5 – Grade 3 ‘cello). Well done, girls – lots of work involved, you should feel proud of your achievement.

**Series 120 - Concert 3 – Celebrate**

Ms Heidi Jackson from the Visual Arts Department will be exhibiting a series of landscape paintings early in Term III. The exhibition opening is on Sunday 19 July, 4.00pm-6.00pm, presented by Sunday Salon Projects hosted by Mr Damien Minton at 385 Elizabeth St, Redfern. We warmly invite you to attend. (See the invitation below.)

In addition to Ms Jackson’s solo show in July, the five Visual Arts teachers will be mounting a group exhibition in September at Depot Gallery. We will share the details of that upcoming show through Behind the Green Gate, later in the year, closer to the opening.

The Visual Arts Department is committed to maintaining ongoing professional art practice as a central strength that underpins its teaching skills, authenticity and expertise. It gives us great pleasure to have students and their families attend our exhibitions. This enables our students to experience and discover more about the exciting possibilities of the art world beyond the classroom.
