*Issue 6 of the Careers Corner newsletter is here with lots of information and programs for all Secondary School students! Read about the many virtual experiences such as information sessions and workshops, find out how to apply for college in America and how your career as a pilot can take-off. For girls in Years 7 -12, there are opportunities to attend online holiday workshops in Film and Television and Engineering.*

*If you have any feedback or information for future Careers Corner Newsletters, please contact our Careers Advisor, [Andrea Pinnock](#).*

## Updates about University Courses

### University of Sydney – Mathematics Prerequisites Course Listing

There are a broad range of degrees offered at the University of Sydney which have levels of achievement in specific HSC mathematics courses set as a prerequisite. These include degrees in Commerce, Economics, Pharmacy, Education, Psychology and Nursing. This new

requirement was introduced last year to assist students thrive in these degrees and prepare them to tackle future career challenges. For a list of courses with mathematics prerequisites, please click [here](#).

### **[Bond University: 2021 Year 12 Entry](#)**

To ensure Year 12 students are not disadvantaged for 2021 entry, Bond University will assess applications based on Semester 1, Year 12 results. To find out more, please contact [Boyd Shacklock](#).

## ***Virtual Experiences***

### **[HSC & Beyond Virtual Careers Expo](#)**

**17 June 2020, 9:30 am – 21 June 2020, 2:00 pm**

Visit virtual booths from over 80 University and Higher Education providers where you can:

- Access faculty-specific information
- Ask live questions or book a video chat with student advisors
- Attend a live stream lecture — Early Admission information, scholarship applications and other relevant topics

You can also pick and choose daily webinars delivered by HSC experts on topics such as:

- Subject-specific HSC strategies for success
- Dealing with stress, maintaining motivation, study tips, all about the ATAR
- Parent-specific tips to support your child through the HSC

### **[University of Newcastle – Joint Medical Program](#)**

Would you like to start your medical degree surrounded by contemporary facilities?

The University of Newcastle is supported by the Central Coast Local District Health and the Central Coast Research Institute, which are both co-located on the site of the redeveloping Gosford Hospital. February 2021 will see the inaugural year of first year medical students begin their training at the Central Coast site, with the new state-of-the-art building scheduled to open mid-year. To find out more, join the Central Coast Joint Medical Program Info Session Webinar on **Tuesday 23 June** from 6.00pm – 7.00pm.

### **[UNSW | Undergraduate Info and Insights Week – Online](#)**

**23 June 2020, 6:00 pm - 25 June 2020, 7:00 pm**

Join UNSW at their Undergraduate Info and Insights Week. Designed for Year 11 and 12 students, the sessions will cover everything from scholarships and admissions to the UNSW student experience through a series of short livestreamed presentations. At the end of each session, you'll have the opportunity to participate in a live Q&A, where you can get all your questions answered.

### **[UNSW | Experience UNSW Engineering - Online](#)**

**30 June 2020, 4:00 pm - 5:00 pm**

Experience the innovative and creative ways that engineers solve real-world challenges at the online Experience UNSW Engineering event!

Students in Years 10 – 12 are invited to get a taste of the variety of engineering disciplines and careers available at UNSW. By joining the online session, students will have a chance to choose a session that matches their interest, have their questions answered, hear from current UNSW students and find out more about degrees and exciting opportunities on offer at one of Australia's leading universities.

### [UTS Business School | What Does Learning Look Like in our Bachelor Degrees?](#)

**30 June 2020, 2:30 pm - 3:30 pm**

In this webinar, you will hear from academics and students from across UTS Bachelor of Business and Bachelor of Management programs about how lectures, tutorials, assessments, group work and exams are working, and the technology UTS are using to maximise the effectiveness of remote learning.

### [ACU | Talk with Exercise Scientists and Physiotherapists Online](#)

**1 July 2020, 6:00 pm - 7:00 pm**

Join ACU online to hear from alumni about their experiences working as Clinical Exercise Physiologists and Physiotherapists. Take part in a Q&A session with ACU graduates to learn what a career in Exercise Science and Physiotherapy is like.

### [Experience UNSW Science Day Online](#)

**1 July 2020, 4:00 pm - 5:00 pm**

Have you ever wanted to experience what it would be like as a university student conducting research and experiments in a lab or in the field? Let UNSW take you on a journey through some of the branches of Science that you can study. You'll have the opportunity to ask questions and speak to UNSW's academic staff and current students. You can then get a hands-on taste of what you can expect as a first-year science student, without leaving home! Your home will become the laboratory as our first-year science lecturers take you through a university-level experiment using household items. This event is designed for students in Year 10, 11 and 12, who are keen to find out what it's like to study Science at UNSW.

### **Macquarie University Webinars**

### **Screenteens School Holiday Workshop – [Online](#)**

**14 July 2020, 10:00am - 16 July 2020, 1:00 pm**

Screenteens is Australia's leading program for young adults aged between 12 and 16 years old who are interested in developing their performance skills for Film and Television. This Holiday

Workshop is the ideal platform to brush up on acting skills for working in the Film and Television Industry.

Students will:

- Learn to break down a scene
- Build a character from the ground up
- Find the truth in performing
- Learn to utilise props within a scene
- Develop your ability to take direction
- Master continuity by acting in front of the camera each week
- Learn to master your audition technique

### **The virtual Winter School of Engineering is happening!**

Engineers Australia understands the effect of cancelled programs, site visits & careers expos on students. So, Engineers Australia is planning the virtual Winter School of Engineering to help to address some of these lost opportunities.

When: **13-17 July**

For Who: Students in Years 10/12 as well as their Teachers, Advisors & Parents

Email [here](#) for further information or call 0467 005 275. Register your expression of interest [here](#).

### **Information Sessions and Open Days held on campus**

#### **Basair | [Career Info Seminar](#)**

**16 July 2020, 7:00 pm - 8:30 pm**

Dreaming of a career as a Pilot but don't know how to make it a reality? Find out how you can #AimHigh as a Commercial Pilot at the Basair's Career Seminars at Basair Aviation College, Bankstown Aerodrome.

### **Scholarships**

[UNSW Co-Op Scholarship applications](#) are open and close on **30 September**.

Programs include Business/Science and Engineering. However, don't leave this application to the last minute! It is a challenging application, so students need to make sure they have time to construct thoughtful answers carefully!

#### **[St. Andrew's College USYD Scholarships](#)**

St. Andrew's College has scholarships available tailored to the different strengths of potential residents. Find out if there is one right for you!

### **USA Tertiary Study Information**

#### **SAT Registration Dates**

Registration dates for students contemplating sitting the SATs for a future USA college application are available [here](#). For assistance with SAT preparation, please visit the Khan Academy [website](#).

#### **[EducationUSA Phone Advising Information Sessions](#)**

EducationUSA is offering free individual advising appointments by phone for students and families interested in tertiary study in America. Students can benefit from their own personalised information session, covering relevant topics such as holistic applications, SAT/ACT testing, sports scholarships and more.

## University Early Offer Opportunities

### University of Notre Dame Early Offer Program for 2021

#### **Applications for Semester 1 2021 close 31 July 2020**

The University of Notre Dame knows Year 12 can be stressful that's why they provide you with the opportunity to secure a place at Notre Dame – prior to your exams – through our Early Offer Program. You can stress less by receiving an Early Offer for the education of a lifetime before your exams. This exclusive program is open to Year 12 students who have demonstrated academic excellence and/or are making a significant contribution to their school or community.

### Macquarie Leaders and Achievers Early Entry Scheme – Applications Open Now

Thinking of studying at Macquarie University in 2021? Get some peace of mind with an early offer through their Leaders and Achievers Scheme. Applications are open for Year 12 students from NSW and the ACT and close on **Monday 31 August**.

## Industry Information and Programs

### Physiotherapy

Have you ever wondered how Physiotherapy can have a positive impact on people's health and wellbeing? Physiotherapists play an important role in keeping people moving, whether it be for maximum performance in athletes or for people with chronic health conditions. They also have an impact on patients who require rehabilitation after events such as surgery or a catastrophic accident. It can be rewarding to see patients reach their goals.

### UNSW - Join the Girls in Engineering Club

Designer. Communicator. Creative Problem-solver. Explorer. Team Player. Critical thinker. Inventor. As an engineer, you are all these and more. Engineers enhance our lives every day, by creating innovative solutions to problems in our world. The Girls in Engineering Club is a fun, inspiring community for secondary school girls who are interested in STEM, study Maths or Science at school, or who just want to explore what engineering is all about.

By joining the Club you will receive:

- Exclusive invitations to Girls in Engineering Club events
- Monthly inspo delivered to your email, featuring profiles of amazing female engineers, study tips and tricks, blogs from current engineering students, and loads of info to help you explore your career options in engineering
- Opportunities to be mentored by current female engineering students at UNSW
- The chance to win prizes through participating in fun STEM activities!
- Access to a closed Facebook community to connect with likeminded girls

## Work Experience

### AIE Work Experience Program

The AIE Work Experience Program is a great way for students in Years 10 to 12 to learn about the interactive entertainment and digital industries. The week will open the door to the range of career possibilities in the industry and allow students to get hands-on with the tools of the trade. The Work Experience Program runs from 9am to 3pm over the course of a week and encompasses a range of activities including 3D animation, programming, QA testing and much more. Due to the popularity of the Work Experience Program, interested students must fill out a form and demonstrate why they would like to do work experience at AIE.
