[National Art School | Open Day 2020](#)

26 September 2020, 10:00 am - 4:00 pm

The National Art School is Australia's leading fine art school, with an unrivalled studio-based teaching model that has delivered a rich tradition of artistic practice and generations of world-renowned alumni for the past 100 years. Leading into the 21st Century, NAS provides a progressive and holistic art education, and invites the public to join us on Open Day to share our creative community.

In 2020, NAS Open Day is reconfigured so visitors can walk through campus in small, socially distanced tour groups to meet teachers and students and watch live demonstrations across artistic disciplines, from ceramics to print making. The two-hour tours are designed to give an overview of the school as well as offering a detailed insight into the student experience. NAS's outstanding courses and facilities provide students with in-depth face-to-face training with teachers who are successful practicing artists with decades of experience.
