THE BARBARA CHISHOLM SCHOLARSHIP 2027

The School offers a Boarding scholarship to assist families in rural and regional areas. SCEGGS offers Boarding in conjunction with St. Vincent's College, Potts Point.

Named after our third headmistress, Miss Barbara Chisholm (Head 1947-1977), the scholarship aims to ensure that students from country areas have the chance to benefit from the many opportunities that a SCEGGS education affords.

The Scholarship will be offered annually to a student entering Year 7 or later years in 2027. The scholarship covers all boarding fees at St Vincent's College, Potts Point, and will be awarded to the student who will make an all round contribution to school life.

An application form is attached together with details of other information to be submitted. **Applications close on Sunday 8 February 2026**. A Barbara Chisholm Scholar will be expected to make a significant contribution to the life of the School in one or more areas. Selection will be based on:

- Educational background and performance
- Involvement in co-curricular activities
- Personal qualities and character
- Commitment to the life of SCEGGS

The normal enrolment procedure including registration and enrolment fees, as well as tuition fees, will apply in respect of a scholarship recipient who is new to the School.

Jenny Allum
Head of School
