SCEGGS Darlinghurst

Dear Parents and Carers,

The SCEGGS School Shop offers a full range of compulsory and optional uniform items, sports uniforms and much more. Our School Shop Manager, Clare Reid, will do all that she can to assist parents in supporting their daughters with any matters relating to the school uniform.

This guide provides useful information about:

- School uniform requirements and expectations
- School Shop opening hours, uniform fittings and clothing pool
- Sports/PE uniform items

Buying or Selling Second-hand uniforms

Families may also access second-hand uniforms via our Clothing Pool, though understandably this supply varies and not all sizes or items of uniform are available at any given time. If your daughters have outgrown their uniform, we are always keen to obtain items in good condition for resale to other parents for both convenience and to reduce our environmental impact, more broadly and on the beautiful Gadigal Country on which SCEGGS sits. Additionally, SCEGGS subscribes to the Sustainable School Shop. So whether you are buying or selling second hand uniforms, this is a practical way to reduce waste, ensure uniforms continue to be well used and support families in our community.

Uniform requirements

I encourage you to become familiar with the details of the SCEGGS' uniform requirements. Expectations are communicated with the girls regularly by their Form Teachers and are also outlined in their diary for easy reference at any time. It is important that the girls take pride in wearing their uniform correctly and we appreciate your support with this. If you have any questions about uniform requirements or expectations, please reach out to any of the senior staff, such as Andrew Gallagher or Laura Connolly, or the Year 7 Coordinator.

In the meantime, Clare and her friendly team in the SCEGGS School Shop (located just near the Green Gate) are looking forward to assisting you with uniform purchases, fittings and guidance.

Head of School
